Employee Assistance Services

Many weeks ago, ESI created the Covid-19 resource center on the ESI member website, www.theEAP.com/Union-AP. They continue to update that resource center with new information every few days so login to see what's new.

When you log into the website, click on EMPLOYEE → EMPLOYEE & FAMILY LOGIN → REGISTER HERE → EMPLOYER/UNION = NORTHLINE. If any member or family member needs assistance to deal with anxiety or stress, **call 800.252.4555 to reach a counselor**. Services are free and confidential.

In light of recent unrest across the country, many of your employees and their families may be experiencing a high level of stress. Members can also go to the MAP website www.theEAP.com/Union-AP, login and click on the **National Protests** alert at the top of the page to find resources to help deal with these stressful issues.

In addition, the EAP has an excellent online training that focuses on diversity. While this training (“**As Simple As Respect: Diversity, Respect, and Inclusion in the Workplace**”) was created to address diversity in the workplace, the principles outlined in the training apply throughout our society.

As always, if there are other issues you would like to discuss, please don't hesitate to call the counseling line for assistance—**800-252-4555**.
