To: Northline Utilities and Nor Pro Employees  
 From: Emergency Operations Team  
 Re: Guidance Sheet #75 – Coronavirus Disease (COVID-19)  
 Date: August 10, 2020

### Dashboard

Our Northline Utilities Emergency Operations Team feels that it is important to share an overview of the Northline Family as we monitor how COVID-19 is impacting our population.

Employees Tested for COVID-19	Employees with a Negative Test Result	Employees with COVID-19 Test Results Pending	Employees with a Positive Test Result
28	27	0	1

Our one Positive has recovered and is back at work.

### Strategy Guidance

## WHEN TO WEAR A MASK

Do I wear a mask?	<b>Yes</b>	<b>No</b>
<b>At home with people who live in your household</b>		✗
<b>Running errands (e.g., grocery shopping)</b>	✓	
<b>Visiting the doctor's office or pharmacy</b>	✓	
<b>Dining at a restaurant (when not eating)</b>	✓	
<b>Driving in a personal vehicle with people who live in your household</b>		✗
<b>Riding in someone else's personal vehicle</b>	✓	
<b>Taking public transportation</b>	✓	

**Using a mask combined with social distancing can help slow the spread of COVID-19.**

## About Masks

**A mask may not protect the wearer, but it may keep the wearer from spreading the virus to others.**

COVID-19 spreads mainly from person to person through respiratory droplets produced when an infected person coughs, sneezes, talks, or raises their voice (e.g., while shouting, chanting, or singing). These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs. Recent studies show that a significant portion of individuals with COVID-19 lack symptoms (are “asymptomatic”) and that even those who eventually develop symptoms (are “pre-symptomatic”) can transmit the virus to others before showing symptoms.

To reduce the spread of COVID-19, CDC recommends that people wear masks in public settings when around people outside of their household, especially when other social distancing measures are difficult to maintain. The spread of COVID-19 can be reduced when masks are used along with other preventive measures, including social distancing, frequent handwashing, and cleaning and disinfecting frequently touched surfaces.

## Masks with Exhalation Valves or Vents

The purpose of masks is to keep respiratory droplets from reaching others to aid with source control. Masks with one-way valves or vents allow exhaled air to be expelled out through holes in the material. This can allow exhaled respiratory droplets to reach others and potentially spread the COVID-19 virus. Therefore, CDC does not recommend using masks if they have an exhalation valve or vent.

## Daily Self-Checker

Please remember to keep using the Daily Self Checker. This Daily Self Checker is a list of questions that everyone should ask themselves every morning before work. If you answer “Yes” to any of these questions you should not go to work, and you should immediately reach out to the Emergency Operations Team Liaison Officer, Ricardo Aguilar by cell phone (518)-420-7078.

1. Have I recently traveled from a country/region with widespread sustained transmission of COVID-19?
2. Have I been in contact with someone who has recently traveled from a country/region with widespread sustained transmission of COVID-19 and is now sick?
3. Have I had contact with someone with lab confirmed COVID-19 in the last 14 days?
4. Have I been told by a Public Health Official that I may have been exposed to COVID-19?
5. Have I had any of the following symptoms in the last 14 days – fever greater than 100°F, cough, shortness of breath or difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat, new loss of taste or smell?
6. Am I currently experiencing any of the above symptoms?

### Notification

Remember, as part of our Northline Notification Protocol:

These are the reasons to contact Ricardo Aguilar ([raguilar@northlinellc.com](mailto:raguilar@northlinellc.com)), Emergency Operations Team Liaison Officer:

- I went home with COVID-19 symptoms
- I stayed home sick with COVID-19 symptoms
- I was advised by a Health Care Provider to be tested
- I was made aware of someone else that has COVID-19 symptoms or stayed home
- I was asked to leave the jobsite by the customer due to a potential exposure
- I tested positive for COVID-19
- I encountered someone known to have tested positive for COVID-19, or
- I completed a trip to a CDC-categorized Coronavirus Warning Level 3 location

This notice must be directed to Ricardo Aguilar, Emergency Operations Team Liaison Officer at [raguilar@northlinellc.com](mailto:raguilar@northlinellc.com) or by cell phone (518)-420-7078. The assigned Northline Project Manager will be notified and in turn the Project Owner, trade contractors and suppliers of the situation.

If you have any questions regarding this guidance, please do not hesitate to contact a member of the Emergency Operations Team. You are encouraged to send e-mails to [Covid19EmOps@northlinellc.com](mailto:Covid19EmOps@northlinellc.com) or to specific individuals on the team.
